

What kind of person would leave his money to someone else's kids?

A very special person—like the members of Youth Services Legacy Club. These wonderful individuals have included a gift to Youth Services of Windham County in their wills.

A bequest to Youth Services is an especially meaningful way to leave a legacy of caring. Your planned gift, in the form of a trust, life insurance, property, gift annuity or bequest, will help us continue to meet the urgent needs of families and at-risk children in our community. It may also provide substantial tax and other financial benefits to your estate.

For information about planned giving options, please contact our Development Director at (802) 257-0361 or visit us online at www.youthservicesinc.org/giving.
